Fruits/Vegetables in season**

March 1st 2018

Asparagus

Supply is very tight with field transitions as well as harsh weather in Mexico

Avocado

Cold weather in Mexico will have a direct affect on supply. Smaller sizing is tight.

Bananas

Demand on this item remains firm and supplies are expected to remain good through the rest of the year.

Broccoli, Cauliflower, Broccolini Brussels Sprouts and Green Onions

Broccoli – Supplies are tight with cold weather and rain

Cauliflower-Supplies are tight with cold weather and rain

Broccolini - Market is very short and pricing is prorated. The rain and freezing temperatures have highly affected growth and harvest. This will persist for the next couple of weeks. Please think about substituting.

Brussels Sprouts- Supplies are steady

Green Onions – Market has tightened up due to rain and mud in the fields causing longer harvest times.

Berries

Strawberries - Market is extremely short due to all the rain. Pricing will be prorated

Raspberry - We are seeing some shortages in supply and prices is high.

Blackberries – The quality is fair.

Blueberries - Volume is steady. Prices are a bit high

Bell Peppers and Peppers

Green Bell

Red Bell

Yellow Bell Pepper

Anaheim's, Jalapeno, Habanero

All peppers are short on supply

Carrots

Quality is good and so is the supply

Corn

Yellow Corn – Supply has leveled off

White Corn- Supply has leveled off

Citrus

Limes – The market is starting to stabilize

Lemon - California season has begun which should help the market

Oranges – Local crops have begun

Winter Citrus – Cara caras, melogold, pomelos, kumquats, tangerines, blood oranges

Eggs

Product is back to normal supply and prices have stabilized.

Eggplant

Supply is light with poor quality, should see improvement over next couple of weeks

Grapes

This is continuing to be a mixed market out of the Central market out of the Central Valley based on sizing. Smaller size is more consistently available and better quality on both red and green colors. We are seeing good volume in supply and price remains stable.

Kiwi

California supplies are very limited with prices increasing. Market is expected to remain firm for next 4 weeks until supplies pick up.

Lettuce

Market will fluctuate with rain and freezing temperatures

ROMAINE- Experiencing peeling and light burning.

Green and Red Leaf – Supplies are fair due to weather

Iceberg lettuce - Market has slowly returned to normal, but we are still seeing fringe burn

Butter lettuce – Supply, demand, and quality are good

Mushrooms

Mushroom growers are still recovering from the severe damage and supply will be affected for several months . We are starting to see some improvements of supply and will keep you informed of any changes.

Melons

Cantaloupe - Production is down, quality is down

Honeydew - Production is same as Cantaloupe.

Pineapple

Steady volume

Potatoes

Idaho - supplies are tight on larger size and prices are higher than normal due to the delayed planting earlier this year caused by the weather. Washington supplies are good and prices remain stable.

Yukon bakers - Availability is limited and pricing remaining higher than normal

Russet - Quality is getting better while pricing is coming down - two months

Kennebec - Very short right now and the quality is fair at best.

Squash

Local crops in good supply and quality is good

Tomatoes

Round- EXTREME- supply has loosened up, but quality and color is fair

Romas- Prices are down, with new crop beginning

Grapes- Product is gapping and will improve over next two weeks

Cherry- supply is good, quality is fair

Heirloom- supply is good, quality is fair, lots of unripe fruit
