

As California is issuing daily updates on COVID-19, we are navigating through unprecedented times. In an effort to best serve you, our partners, while keeping in mind your health and safety as well as the health and safety of our employees we have chosen to limit our delivery schedule moving forward.

As of now, we will be closing for deliveries on Tuesdays & Thursdays until further notice.

Because of the rapidly changing nature of the pandemic, we will continue to monitor the progress of the virus, as well as the advice and guidance from the Centers for Disease Control (CDC), the World Health Organization (WHO) and local Health Departments. As always, we will keep you updated as more information becomes available. We thank you, our partners for your continued support, patience and trust as we navigate these challenging circumstances. Our commitment to you and our Nature's Produce team members remains as dedicated as ever and we look forward to serving you for many years to come.

Thank you,

Your Nature's Produce Team
